Why use **our exams?**

B2 First, C1 Advanced and C2 Proficiency are designed for use by further and higher education institutions for a variety of purposes.

FOR ADMISSION REQUIREMENTS

Be sure of a student's English language skills

Choose exams for your admissions requirements that are more than a snapshot of a student's level of English. Cambridge English Qualifications are in-depth exams, and preparing for them helps students to improve their English. They provide a reliable indicator of language ability, strengthening the students' ability to match expectations. Cambridge English Qualifications test all four language skills – reading, writing, listening and speaking – as well as covering use of grammar and vocabulary.

Rely on secure and trusted exams

Backed by over 100 years of research, our exams are trusted as secure English tests by governments worldwide. Our authorised exam centres follow a detailed code of practice. Where test day photos are available these can be viewed along with candidates results, on our free online Results Verification Service.

Specify one score across our exams

The Cambridge English Scale is used to report results across Cambridge English Qualifications. This makes it easy for you to set your entrance requirements and gives you precise information about each skill.

Diversify your international student population

Accept Cambridge English Qualifications as part of your admissions criteria and you will have access to hundreds of thousands of students from around the world.

Accepted for student visa applications

Cambridge English Qualifications are accepted for student visa applications in many countries, including Australia and Ireland. Choosing our qualifications for your admissions requirements often means that students need only take one English language exam.

FOR EXIT-LEVEL MEASUREMENT

Validate students' language learning

Offer students an independent assessment of their language skills and give them a qualification that is internationally accepted. Our exams can also open doors to additional study opportunities.

Improve your students' employability

Make sure your students leave with a valuable qualification that is trusted by some of the world's top employers. Preparing for the exams helps them to develop the English language skills they need for the workplace.

Cambridge English Qualifications Digital

An enhanced exam experience with on-demand test dates and faster results. The same quality, secure exam, but with digital benefits.

Exam **security and quality**

We understand that exam quality, integrity and security are critical to educational institutions. Our robust and comprehensive approach covers all areas – from exam development, delivery and results processing, through to post-exam review and evaluation.

This means you can trust the results as a valid and accurate reflection of a candidate's ability.

Security, integrity and fraud protection measures

- Exam papers are handled under secure conditions at all times – from preparation to printing to despatch.
- All our authorised exam centres follow a detailed code of practice which ensures the highest standards of security throughout the testing process, from registration to the recording of results.
- Photographs of all candidates are taken on the day of the exam. These can be viewed by institutions through our online Results Verification Service.
- No marking is done by the exam centre. Speaking is marked locally by fully trained and certificated Speaking examiners at the test venue, while Writing scripts are anonymised and allocated to examiners at random to avoid conflicts of interest.
- Sophisticated results analysis is carried out after each exam session prior to release of results to identify unusual patterns of scores or responses.

Quality management

Our systems and processes for designing, developing and delivering examinations are independently certified as meeting ISO 9001:2008 for quality management.

For more on our rigorous approach to quality management, you can download the publication Principles of Good Practice: Research and Innovation in Language Learning and Assessment from cambridgeenglish.org/english-research-group/quality-and-accountability

What's in the exam?

B2 First is made up of four papers to test different aspects of candidates' English skills.

Paper	Content	Shows students can ...
 Reading and use of English (1 hour 15 minutes)	7 parts/ 52 questions	understand the main ideas in different types of text, such as fiction, newspapers and magazines. Candidates must also demonstrate how well they can control grammar and vocabulary.
 Writing (1 hour 20 minutes)	2 parts	produce two different pieces of writing, including a compulsory essay.
 Listening (about 40 minutes)	4 parts/ 30 questions	follow and understand a range of spoken materials, such as news programmes, presentations and everyday conversations.

How are the **exam results** reported?

The Cambridge English Scale

The Cambridge English Scale is a range of scores used to report results for Cambridge English Qualifications.

Results for most Cambridge English Qualifications, including B2 First, C1 Advanced and C2 Proficiency, are reported on the Cambridge English Scale.

The Scale covers a wide range of language ability and is designed to complement the CEFR.

Candidates receive a score for each skill (reading, writing, listening and speaking) plus Use of English. They also get an overall score on the scale for the exam.

Because the results for all our exams are reported using the same scale, it makes it easy to:

- **understand** candidates' results
- **compare** our qualifications
- **describe** the level of language skills needed for **your admissions requirements**.

The Cambridge English Scale was introduced in 2015 and has been built on result-reporting methodologies which we have developed over many decades of research, using data from millions of test takers.

It is fully aligned with the CEFR, but where the CEFR is a broad reference scale of language proficiency, the Cambridge English Scale brings the comparability so often needed for practical results-reporting purposes such as stating requirements for admissions for higher education or employment.

Results for Cambridge English Qualifications are reported on the Cambridge English Scale. The scale complements the CEFR and gives greater insight into candidate achievement. Candidates receive an overall score from the scale as well as a score for each skill (reading, writing, listening and speaking).

Each exam is targeted at a level of the CEFR. Results are also reported at the level above and the level below. IELTS is mapped to, but does not report on the Cambridge English Scale.

Scores on the Cambridge English Scale replace the standardised score and candidate profile reported in pre-2015 results, but candidates continue to receive a CEFR level and grade.

What do exam results look like?

The Statement of Results

All candidates receive a **Statement of Results**. This is the document you should use when checking candidate results.

The Statement of Results shows the candidate's:

- overall score on the Cambridge English Scale
- scores on the Cambridge English Scale for each of the four skills (reading, writing, listening and speaking) and Use of English.

Candidates also receive a CEFR level and grade based on their overall score.

You can view a candidate's Statement of Results – on our secure online Results Verification Service, which is freely accessible to all accepting institutions. For more details, see page 15.

1 Overall score

This is the overall Cambridge English Scale score for the whole exam. It is the average of the five individual scores a candidate receives for the four skills and Use of English.

The overall score is the most important piece of information for recognising institutions when setting requirements to ensure that you ask for the exact level of English you need.

2 Individual scores

Candidates receive a Cambridge English Scale score for each of the four skills (reading, writing, listening and speaking) and Use of English. With these individual scores it is easy for you to specify the level of English you need in a particular skill.

The image shows a sample 'Statement of Results' for the Cambridge English Advanced exam. It includes the Cambridge English logo, Centre Reference (GB599 0002), Verification Number (A9712221), Candidate name (First Name Last Name), Place of entry (TEST123), Session (18 AUGUST 2024), Overall Score (193), and CEFR Level (C1). A table shows individual scores for Reading (193), Use of English (195), Writing (193), Listening (193), and Speaking (192). A scale on the left shows the Cambridge English Scale from 160 to 210, with CEFR levels B2, C1, and C2 marked. A 'Results' table shows score ranges for Pass at Grade A (200-210), Pass at Grade B (193-199), Pass at Grade C (180-192), and Level B2 (160-179). A warning box states 'THIS IS NOT A CERTIFICATE'.

Setting your requirements

Setting your English language requirements is simple using the Cambridge English Scale.

1. What level of English do you need?

It is important to consider both the level of English needed for your courses and which exam is most suited to your needs. This will depend on the level of study and the subject(s) being studied.

Each of our exams is targeted at a different level of the CEFR, which means they assess a candidate on a wide range of skills and knowledge at that level. The context of questions is also appropriate to the level being assessed, with higher levels having a greater academic focus.

As a guide, we recommend the following qualifications for the different levels of study:

Foundation/ pre-sessional

B2 First

Targeted at CEFR Level B2.

Reports on the Cambridge English Scale between 122 and 190.

Undergraduate & postgraduate

C1 Advanced

Targeted at CEFR Level C1.

Reports on the Cambridge English Scale between 142 and 210.

Postgraduate

C2 Proficiency

Targeted at CEFR Level C2.

Reports on the Cambridge English Scale between 162 and 230.

2. What Cambridge English Scale score?

The Cambridge English Scale makes it easy to:

- specify the overall score you need
- specify minimum scores for the individual skills.

You can use the table on the right to ensure that the Cambridge English Scale score you ask for is at the same level as your CEFR requirements.

Alternatively, please visit cambridgeenglish.org/scale-institutions and use our interactive score converter. You can input your existing CEFR, IELTS or pre-2015 Cambridge English requirement and convert it to a Cambridge English Scale score.

If you have any questions or need help setting your requirements, please do not hesitate to get in touch at recognition@cambridgeenglish.org

Comparing Cambridge English Scale scores to IELTS

If your institution already uses IELTS scores for admissions purposes, specifying scores on the Cambridge English Scale is easy.
